

We are thrilled to announce our summer programming, offered at both our Riverside South, and Kemptville locations! We have programming from 3-adult, and is designed to offer your child an opportunity to discover a new discipline, or to continue training in disciplines they already love. We feel strongly in the importance of maintaining the technique that has been developed over the year, and reaching forward into the next season! Our instructors are motivated to ensure that each and every dancer is challenged throughout our program, while also having summer fun! As we all know, summer is a busy time, we have priced our summer programming to incorporate 1 class at no cost to you. (Take 8, pay for 7)

Registration begins Monday, March 27th www.danceroots.ca
